Dear Parent/ Carer,

I pray you are well and in the very best of health.

Madani Boys School Ofsted Inspection Report Letter – 6th March 2019

Please find attached herewith the school inspection report letter detailing the findings of the short inspection on 6th March 2019. I am delighted to be able to finally share with you that through the grace of the Almighty, Madani Boys School continues to be good, with many areas of excellence. This is an immense achievement given the increased expectations from the inspectorate since the last inspection.

At the start of my tenure in 2017, I outlined my vision and our commitment to you *to provide world-class education & care that enables your child to reach their personal excellence, with a moral purpose framed on our ethos and to equip them with the skills, identity and values to contribute to British society and the world positively.*

Whilst I feel the report attached speaks for itself, you will find that each aspect of the vision above is captured in detail positively, particularly the upward trend of increased pupil progress and high expectations and I'm certain that you will enjoy reading the report letter in full.

There are Alhamdulillah many positives to celebrate, rest assured that we will seek and address any and every area of development in both schools. Our MBS House icon Muhammad Ali once said: 'it isn't the mountains ahead to climb that wear you down. It's the pebble in your shoe'. With your support, we will work together to remove every pebble and leave no stone unturned until we achieve the entirety of our school vision including our new proposed Tree Academies with your support.

In summary, the report letter captures the essence of our *warm, welcoming and calm* school stating that we *'promote with passion the school's (HEART) values of honesty, excellence, accountability, respect and tolerance'*. I would like to take this opportunity to express my deep gratitude to the entire school community including pupils, parents, staff, Governors, and Trustees who have contributed to this glowing affirmation of the excellence that occurs each day at Madani Boys School.

Walaykum salaam | Yours sincerely,
