AAWW Dear Parent/ Carer,

School Uniform | 2020-21

We are delighted to inform you that a new school uniform has been designed for both Madani Boys School and Madani Girls School.

Student representatives tell us that they look 'smart', feel 'smart' - we believe this will provide them more self-belief to achieve more. The new uniform is professional and whilst clearly distinct from other local schools, will help retain students sense of belonging and pride in the schools, and among the wider community. Importantly, the new uniform is in-keeping with the Islamic ethos of Madani Schools Federation.

At the beginning of the academic year we began the process of consulting with students and parents / carers regarding changing our main school uniform. This process was led by the School Council, the possible options for a new uniform have been debated and discussed in assembly, form time and through consultation with all stakeholders. The roll out of the new uniform is set out below and the required uniform range is set out on the accompanying pages.

Uniform Roll-out

2020-2021: The new uniform is a requirement for Year 7 students. For Years 8-11 students, we have taken the decision that for this academic year they will continue to wear their current school uniform until items require replacing.

2021-2022: All students will be required to wear the new school uniform (Main & PE).
