Students aged 11 must be tested by an adult and the adult must report the result. | Students aged 12-17 should do the test themselves with adult supervision. There is no need to keep used test equipment after the test result has been reported. You can put it in your normal bin (household waste).

### Reporting each test result

All test results (Positive, Unclear (void) and Negative) should be reported to both NHS Test & Trace self report website and to Madani Schools Federation via the links below:
